

INVITATION TO A PUBLIC MEETING
ABOUT RECREATION FACILITIES

WEDNESDAY OCTOBER 3, 2012 6:30 p.m.
LEGION HALL, ONTARIO ST

HAVE YOUR SAY!!!

There is still a strong need to have open and honest public discussion regarding the development of recreation facilities in Collingwood. Residents have not had an opportunity to express their opinions in an open forum, ask questions and seek points of clarification. There is significant concern about process and outcomes and we feel that open and factual public debate is critical. We will be hosting a public meeting and inviting all of the major stakeholders. We will be asking the key groups and organizations to be part of a panel to describe their thoughts and findings and then answer questions from the public. Issues to be discussed will include facilities, anticipated costs, council's process and sole sourcing at a minimum.

We will record any outstanding issues, the thoughts of the public and pass this information on to Council for further information. It is our sincere hope that people will participate to gain a greater understanding and work better together to solve the outstanding issues. From the hundreds of emails that have been received on this subject, we feel that there are many opportunities to be further explored.

PLEASE COME OUT!!

**YOUR THOUGHTS COUNT AND YOUR
INPUT IS NEEDED!!**
